

Names for a Single Adult Ministry

Dennis Franck

In my opinion, a name should:

1. Reflect the group's single status
2. Point towards the target age demographic
3. Reflect a positive image/brand
4. Not be so super spiritual that it would not attract unbelievers

Here are some sample names used around the country. Not all of them are necessarily ideal. Use creativity in developing a name.

- F.O.C.A.S. (Fellowship of Christian Adult Singles)
- Focus on One
- One Life
- One For the Lord
- One is a Whole Number
